RALLYMAN *DIRT*

Playing with R4 cars

R4 cars follow all the normal rules in *Rallyman: DIRT* and have access to the dice shown on their Dashboards. However:

GEAR DICE

An R4's maximum Gear is 4. They cannot use the Gear 5 or 6 dice.

COAST DICE

R4 cars get one extra Coast die! This gives them a distinct advantage on tricky sections of road with speed limitations.
